

How to Bypass the Conscious Mind to Get the Results You Want with Minimum Conscious Effort

In and of themselves, affirmations are a powerful tool for manifesting. But when you practice affirmations from a deep, meditative state of consciousness (such as that induced by the brain wave player of *Sculptor 3*), you increase their manifesting power up to a hundred fold.

Send for your **FREE** subscription of “**Affirmations For The Mind**” **Tips and Techniques Self-help Newsletter**, the premier publication on self-improvement and personal growth. Each issue contains **powerful sample affirmations** that have been tested and proven to get results.
