This Complete Money-Making System Will Take You From A Complete Beginner To Making Huge Cash Online From Scratch! Scroll Down For Juicy Details On How You Can Start Immediately...

Dear Friend,

If you're the kind of person who loves to discover **easy, simple** and **super-fast shortcuts** to earning massive wealth...then this will be the *most profitable* and *exciting* letter you've ever read...

Because you're just a tiny step away from being one of the precious few allowed to learn the secrets of the **laziest, highest-producing** and **simplest money-making system** on the planet.

Once you have set this system to work on complete autopilot, everything gets real easy.

And the money just gets ridiculous.

We're going to use OTHER people's websites and products to make YOU rich, and this is...

The Easiest Way Money You'll Ever Make!

It's a method called "Affiliate Marketing" and I've been using it to amass my wealth online for YEARS.

Now you're probably asking yourself this question:

"What is affiliate marketing, and why is it the simplest, fastest and laziest internet business in the world?"

Fair enough. Here's the core definition:

Affiliate marketing is the promotion of other people's products by a third-party (you, the affiliate), in exchange for commission-based compensation.

That's a fancy way of saying it; now let's make it even more straightforward with a quick example:

Pretend for a moment that you enjoy going camping. It's one of your hobbies. You've bought a lot of camping equipment, and even shop for it online.

One day you think to yourself:

"You know, I enjoy camping so much, I should create a business and make money with it. I'd love to sell camping gear online immediately but I don't know how to start or have any products to offer, what do I do?"

Here's what...

Your favorite online store for camping gear has something called an 'Affiliate Program'!

All you've to do is:

1. *Sign up as an affiliate (it's free to do so)...*
2. *Learn how to market affiliate products effectively...*
3. *Collect tons of easy commissions.*

Number 1 and 3 are easy, but number 2 is a science that only a *tiny* fraction of people do correctly.

But when you do it well, you can **profit instantly** *without the need for your own product or wasting a whole lot of time*. Plus remember, in your affiliate business, there are:

- | | |
|---|--|
| <ul style="list-style-type: none">• NO products to ship• <i>NO major overhead expenses</i>• NO employees• <i>NO headaches</i>• NO fancy website needed | <hr/> <ul style="list-style-type: none">• NO inventory to keep• <i>NO copywriting expense</i>• NO customer service• <i>NO product development cost</i>• NO worries! <hr/> |
|---|--|

So why should you believe me?

My name is **Ewen Chia** and if you don't know me yet, then you must be a newbie. You see...

For 8 long years, I've been the top earning super affiliate on the internet - in the **MOST competitive market online!**

Stick with me and I'll prove it.

First, look at what some of the biggest names on the net have to say about what I can teach you:

"Ewen Has Been Consistently Earning HUGE Affiliate Commissions For A VERY Long Time!"

If someone were to ask me "What's a Super Affiliate?" I would respond with a two word answer - **Ewen Chia**.

Ewen has been **CONSISTENTLY** earning huge commissions as an affiliate for a **VERY** long time.

Many people online have made money with Internet Marketing, but there aren't many people online that continue to do it **day-after-**

day, week-after-week.

Ewen is one of the those rare marketers that continue to make good money from Affiliate Marketing time and time again. How does he do it?

By using **solid marketing fundamentals** and by following a **UNIQUE 'process'** that he has created and fine-tuned **after years of hard work and experience.**

If you're looking for a personal coach to help you make money with Affiliate Marketing then look no further than Ewen Chia.

How do I know all of this? Because I pay him huge commissions each month for promoting my products and services. (Thanks, Ewen!)

- **John Reese**

www.MarketingSecrets.com

"Over \$100,000.00 In Sales In Under 7 Days!"

When I think of Ewen's marketing ability, one word comes to mind..."Explosive!"

Few in our field can dominate affiliate marketing like Ewen has time and time again. Recently, Ewen made over **\$100,000 in sales for me in under 7 days!** He ranks among my Top 2 affiliates of all time. Ewen understands affiliate marketing better

than just about anyone I know!

His success comes from not only his great marketing skills, but also from the great relationships he has with his subscribers. Relationships are built on trust...

...and Ewen has proven himself time and time again to **over deliver true value** and **secrets** to his members.

I do not consider any launch successful until I know Ewen is on board. "Ewen Chia" himself is a Powerful Case Study in affiliate marketing. ***If he ever sells his secrets, I want to be the first to know!***

- **Mike Filsaime**

www.MikeFlive.com

Even the "Godfather of Internet Marketing" knows...

"One Of The First People I'd Contact..."

It seems every time I hear of someone holding an affiliate contest Ewen Chia is ***always the winner*** of 1st or 2nd place...

He'd be one of the very first people I'd contact if I were a budding affiliate wanting to learn the ropes - no question!

- Mark Joyner, Author of The Great Formula
www.thegreatformula.com

You can check out why a whole bunch of *top marketers* are so excited and in awe of my *affiliate marketing skills* on this page itself, but more importantly...

If YOU want to make MASSIVE cash from affiliate marketing then...

I AM THE GUY YOU WANT TO LEARN DIRECTLY FROM.

Fact is, people pay me **BIG bucks** just to discover *some* of my secrets.

In truth, I have many marketers that have paid me **\$797 per hour** to learn just a *single* secret. It's been worth it for them because the brain dump I give in an hour shows them a huge return *very quickly*.

"A Living Legend Of Affiliate Marketing..."

Ewen Chia is a living legend of affiliate marketing.

When all the other big guns on the Internet start drawing up a short-list of names to get help with their product launches and promotions my bet is that Ewen is **at the very top**. He helped me with my

launch and made so many sales for me that I actually had trouble keeping count!

In fact I partly blame Ewen for causing my site to crash because he sent me so much traffic! ***If he speaks - you listen. If he makes a product - you buy it.*** If he comes on board for your launch - you make a ton of sales!

- Michael Cheney
www.AdSense-Videos.com

Here's another interesting story from a pretty well known marketer...

"The BEST Person To Teach You Affiliate Marketing!"

Ewen Chia is a close friend and a damn good affiliate marketer if not one of the best.

If he asked me to write a testimonial for him I'd have no hesitation. But I can take it to the next level...**Ewen's skills are SO good** that I paid for him to come on board a **\$4 million dollar** yacht in the South of France for four days while I extracted all his secrets and recorded the whole thing.

This project was called Millionaires Mega Yacht. Before this Ewen has carried out several successful affiliate promotions for me. He casually sold over \$15,000 of my AdSense mastery course. He sold \$9000 worth of my launch a product resale license.

The guys an affiliate marketing machine and by FAR is hands down the best person to teach you affiliate marketing!

- Andrew Fox

www.dominatingadsense.com, Bangor, UK

And I frequently speak at seminars around the world teaching people how to become top earning affiliates from scratch.

(Teaching my affiliate marketing secrets at a US\$1,997 per seat sold out seminar)

My simple system for raking in riches from affiliate marketing WORKS like crazy. I've used this exact same system to generate **easy affiliate commissions** to the tune of...

\$34,004.76 In Just 7 Days!

And by repeating these *same* methods, I proceeded to deposit **more than a MILLION DOLLARS** in affiliate commissions in the *less than 5 months*:

\$1,162,361.49 (More Than A Million Dollars) In Less Than 5 Months
Selling OTHER People's Products!

That's right, and you can do it *without creating your own products*.

How much could you make? I don't know. It could be less, it could be more.

It all depends on how well you follow my simple step-by-step system and instructions.

Now You're Probably Asking Yourself...Can I Teach It?

I'll let you be the judge...

"I've Dramatically Improved My Affiliate Income By More Than \$2,000 Per Month!"

When it comes to making money online, you are the prince...I "dub" thee, Sir Ewen!

I've gotta hand it to ya dude, you know your stuff, especially affiliate marketing, **better than anyone else** I've ever studied online! The way you analyze, and literally set up an entire goal just for one affiliate promotion blows my mind...

When you won the contest for being the top affiliate in selling over \$54,835 of Joe Vitale's product as a "Nitro Affiliate"... The report you made afterwards showing HOW you did it **completely changed the way I promote affiliate products online**...No joke!

Let me just give you a teeny example of how *much* your teachings have impacted my life...for the better!

Below, you will find a screenshot of just **ONE of my 14 clickbank accounts** in which I sell other peoples products, *only*. This account is for a specific niche market that I promote to that has nothing to do with internet marketing what-so-ever. The results will shock you, I'm not kiddin ya buddy!

* Results displayed above are atypical. As with every business opportunity, there is always the inherent possibility of loss. Results vary from person to person and there is no guarantee that one will even get any results at all.

So, as you can see Ewen, it's kind of embarrassing to show you what I WAS making. I mean, I wasn't even able to pay my phone bill each month with that...However, just after one month of using your techniques you can see that **I've dramatically improved my affiliate checks by more than \$2,000 per month in just that one niche market!**

I'm not very good with percentages...but **I went from making \$50 on average per month, to over \$2,000 per month in JUST that one clickbank account!** Just by implementing *some* of your affiliate marketing teachings...what's gonna happen when I implement them all?

I mean, I was even YOUR top affiliate, **selling more than \$1,140 worth of your new product called "Unlock Your Empire"!** And by the way, that extra \$500 you sent my way for winning the contest was much appreciated ;)

Anyways, I just wanted to say "thank you so much for all you've done and taught me, without even realizing it!". When we meet in person, beer's on me buddy!

That's just **one** of my many success stories; I'll share more with you later.

Affiliate marketing is simple. It's easy. It's extremely profitable. However learning ***how to market affiliate products effectively*** is the key.

The stats may shock you:

97% of affiliates make less than a couple of hundred bucks a month! On the other hand, the **top 3%** that I'm inviting you to join ***regularly make more than 4 figures a month*** after they learn a few of my killer techniques.

After a bit of time, many are in the 5 figure per month range.

It all comes down to this:

If you want to be at the top, if you want to work less and make more, if you want to live a lifestyle that most folks only dream about, then here's your ticket.

Simply put, affiliate marketing has the ***power to set you free*** from your hopeless 9 to 5 job, rocket your income to record levels and give you all the things you truly deserve.

But while many would have you believe - *it's NOT as simple as just getting an affiliate link and promoting it.*

There's MORE that goes into it, much more. ***And this is where I come in...presenting...***

How "much" is it for you to become a lifetime premium member of "SECRET AFFILIATE WEAPON"? (while membership is still open)

Let's just say it's not near what you'll get in value. Remember, people have wanted to pay me **as much as \$997.00.**

Don't rub your eyes, you read it right..

You'll practically get all my secrets (and more) for just a one-time investment of just \$9.97 measly dollars while it's still available!

There are **two** reasons why I have priced this so low. First reason:

 **I Want YOUR Success Story.**

Yes Ewen! I'm Ready To Be Your Next Success Story!

I truly want to help people experience the kind of success I've enjoyed...call it ego.

I'm collecting **as many success stories** as I can for this site before I **officially re-launch it as a high-priced monthly fee membership site.** (But you'll always have access as a "lifetime member.")

Second reason is, I'll be promoting my own products and products where I've done the research and I get 2nd tier commissions...

(That means I get a small commission for turning you on to the program. Your commissions will be the same whether I'm on the 2nd tier or not...so it doesn't affect your commission in any way.)

I want to be upfront with you on this.

Some people (you know the kind) complain about everything. I want to make this very clear...**you can promote these programs, or not.** If you don't want to focus on the same niches as I do, it's fine by me. Just learn from how I promote the programs and replicate it for your niche. Simple as that.

So for a very limited time, I'm giving you a **DRASTIC DISCOUNT** into "SECRET AFFILIATE WEAPON"...

And you can [get in for just a one-time \\$9.97 FOR LIFE!](#) It's a 'win-win'.

Try out my **Secret Affiliate Weapon** for 8 full weeks. If you aren't making easy money at the click of your mouse...if you don't get 10, 20 even 50 times your investment back (or more) in almost effortless commissions...

if the information is not dead-simple and easily implemented...if you don't think this is the biggest bargain in affiliate marketing...

Just email me and I'll give you a complete and painless refund of your complete purchase price and you will be removed from the database. No questions asked, no hassles.

How's that for taking all the risk. I just ask that you actually implement at least some of the strategies, tactics and tips you learn. After all, you can't expect to become a money-churning affiliate marketer without taking some kind of action to make it happen.

How can I offer such an incredible guarantee?

Simple. I know this material forward and backward. I use it everyday. **The only way people fail to make money is if they fail to follow my simple step-by-step instructions.**

Look, I've put my heart and soul into this, and frankly, I won't feel this is a success unless you become successful too. And I mean that sincerely.

The bottom line is this...I have been 'head-banging' on the internet for almost two years... trying to market one product after another, and getting NO traffic in the process.

So, while **you are the consummate professional in your venue**, I am also an expert in mine! And 'my' expertise is that I've found EVERYTHING that...doesn't... work. Now you know why I am so excited about your **state-of-the-art marketing technology**.

Anyone who doesn't appreciate the **value** and **applicability** of your information...to include each and every one of your bonus products, should just hit the 'snooze' button on their PC, 'cause they might as well be sleeping through it all anyway.

People will either understand...or they won't, and if anyone passes this up ...well...they have no need for a computer, the internet, or being involved with any business whatsoever anyway, and they have obviously missed the Paradigm shift!

It's time they figured out that they should make their money work for them, rather than them working for their money. Get the point...or not!

Business is not 'as usual'. There is a **new way** of doing things, and a new road to travel if one is to obtain financial freedom in this life...and if your business is not on the internet... before long, you won't have any business. And, if you have one, **you'd better be using your Secret Affiliate Weapon** or, in the alternative, you'll be 'eating my dust', as Ken Doyle would say!

Thanks again, Ewen!
