Dear Friend,

Now that I have your attention, I'm going to smack you upside the head with an automatic, plug-and-play profit system even a monkey could use.

That paycheck you just saw is from one of my accounts for one two-week period. **ONE** account (I have multiple accounts collecting cash right this minute).

It's a heck of a lot more than most online marketers put in as they beat their heads against the wall for a measly \$100 or \$200 a month. And with a fraction of the effort.

Literally minutes per day, on days I choose to work at all - and even if I don't do a thing.

The rest of the time, the system runs on complete autopilot, and just dumps money into my accounts without me having to lift a finger!

If you're new to online marketing and you're looking for how to get started FAST, this is it.

If you've been around a while and you're dissatisfied with your results, this is a way to start seeing the reward you've wanted for so long.

Keep reading...

Imagine Seeing Cash In Minutes From Now

I'm going to give you a true plug-and-play, in-a-box system literally anybody—no matter what your skill level—can understand and use to generate cash in hours or even minutes from now!

This is as close to an honest "set it and forget it" system you'll ever find.

All you have to do is plug in some traffic, and watch the money roll in like a tsunami. And ***I'm going to give you killer strategies for getting more traffic than Manhattan at rush hour, mostly at zero cost.***

Some online gurus will tell you it takes time to build an online business. But I'm here to tell you it does NOT take much time to see cash.

Lots of cash. ***So much cash you might think it's illegal.*** Trust me, it's not.

And that's spendable cash in your bank account. You can use your cash to buy that expensive sports car you've had your eye on, upgrade to a new house, take that dream trip you've been putting off until you "made it" online...whatever you want!

You don't need any of the stuff that takes a long time to set up...

-  • You don't need to spend time creating a technically beautiful website (***you don't need a site at all***).
-  • You don't need to hunt for a winning product to sell.
-  • You don't need to spend big bucks on great sales copy.
-  • You don't need employees, or inventory, or any of the things that make a "business" a pain in the neck.
-  • ***You don't even need a single idea of your own.***

I'm going to take care of all that, and then some. **The hard work is done!**

It might take you an hour or two to read and digest this system (if you take your sweet time about it). All you have to do is exactly what I tell you to do.

Plug this "no-brainer" system in, flip the switch and collect the money. Yes, it IS that easy.

Introducing The Autopilot Profits™ System - Your Plug-And-Play Turnkey Money Machine!

I know what I'm talking about, and I've proven it *over and over again*.

The Autopilot Profits™ System is a plug-and-play turnkey machine which works like mad to deposit instant profits into your bank account 24/7!

All you've to do is set it up and it runs automatically to suck in mega wads of cash for you.

This is going to be a **very profitable** partnership between me and you, where you get the lion's share of the profits!

Maybe you've heard the phrase:

"Give a man a fish and he'll eat for a day... but teach a man to fish and he'll eat for a lifetime"...

Well, I'm Going To Feed You Silly AND Teach You How To Fish At The Same Time Too!

This is an absolutely amazing opportunity you can't miss out on...

And here's a **small sample** of what you'll discover in just *minutes from now*:

- **Precisely how to find a "hungry crowd" who will buy almost anything you offer them. This is a gold mine for anybody trying to make money online.**
- *The hungriest crowd in history, and how even somebody without a big name or a mailing list can give these folks exactly what they're craving right now.*
- *Step-by-step instructions for how to find an offer that will draw buyers like bees to honey—when you pick smart, people can't resist.*
- **A whopping nine special forces guerrilla tactics for generating an avalanche of traffic like greased lightning, often in less than 24 hours...and most won't cost you a penny, or require a website.**
- *The easiest, most effective website anybody can create (if you choose to) that opens up even more doors for generating huge traffic to any offer you want.*
- **How to get paid automatically twice a month. It's like getting a paycheck, but without the crummy J.O.B.**
- **The "lazy" way to automate a huge chunk of everything you have to do to pile up the money.**

This will seem like cheating, but it's really a 100% legit way to squash your competition.

- **How you can be using the system in only minutes, with minimal "set-up" work.** You really can be on the way to big bucks in just minutes from now.

Bottom line, you're going to herd monstrous hordes of people to an offer so compelling they'll be stumbling over themselves to take out their wallet and give you money.

You don't even have to worry about how you get it. *The cash will just show up automatically in your mailbox.*

And if you choose to go the simplest, easiest route—where I do about 95% of the work for you—I'm talking about **serious money with almost no effort.**

The **Autopilot Profits™ System** is literally all you need.

I recommend a couple tools that cost a little bit of money, but they're OPTIONAL. Contrary to what lots of so-called experts say, **you don't have to spend another dime to start the cash flowing into your bank account.**

You just have to be able to read and follow simple, clear instructions.

Don't you get sick and tired of "systems" that don't connect all the dots?

Well, I'm telling you about all the dots you need to know, and I'm connecting them so clearly *you simply can't miss what you need to do, and how to do it.*

What The Heck Is This Plug-And-Play Turnkey "System"?

I can't spill the beans. *Only buyers get to find out.*

Listen, I'm putting my reputation on the line to get this into your hands so you can prove to yourself that making money online is ridiculously easy. If you haven't been seeing big money on a regular basis, you've been making it too hard!

I wanted to make this so blindingly easy that any beginner can pick it up, understand it immediately, start driving traffic within 24 hours (or less) and see profit in a few days.

Nothing else will prove my system works. And by "works", I mean **it can blow your doors off!**

Will it? That depends on you. I can't force you to do just a little typing and start the paychecks flowing. You have to be willing to take that baby step. But that's all, because nothing else is required.

Here's how powerful this really is:

- **Most people have no idea where to start.** I'm going to tell you where to start, so you don't even have to think about it. It doesn't take coaching that costs thousands of dollars. It takes a coach who knows what he's talking about and can boil it down to the essentials.
- **Most people waste time on trivial stuff that keeps them busy, but not making progress.** With my help, you're going to skip right past the distractions and focus like a guided missile on what really counts.

- The "tech stuff" scares most people. Breathe easy. Put it out of your mind. You won't have to do anything technical at all, except use a keyboard and a web browser.
- Most beginners have no idea how to stand on their own two feet once the training wheels come off. I'm going to give you a plug-and-play system that generates profit 24/7...and you never have to turn it off. You can go beyond that, though, and I'll show you exactly how.

And to make sure this is the easiest, fastest way to start printing cash online, you'll also get a...

COMPLETE Set Of Easy To Follow, "Do-This-Then-Do-That" Step-By-Step Video Tutorials!

These ***extremely revealing step-by-step videos*** cover everything you need to know to be up and running with your **Autopilot Profit™ System** immediately after you're done watching.

I wasn't going to include these, but I know some people learn better with their eyes and ears. And believe me, **the videos take this from no-brainer to almost unconsciously easy.**

With the blueprint, plus these videos, you'll have everything you need to start printing money 24/7 right away...legally.

Don't Waste Time Trying To "Figure Out" What Works...

I already know what works, and I'm telling you.

Lots of people will tell you making money online is hard, or takes time to figure out, or requires you to be

super-smart. Poppycock!

You can download my system, read it over lunch, get up and running in an hour or two (if you take your sweet time) and start seeing cold hard cash within a day.

I flat-out defy anyone to make this any easier than this plug-and-play system makes it.

I'm confident you can pistol whip all your online marketing demons and pile up mountains cash like nobody's business. I'm so confident of that, I'm giving you my...

"Rock Your World, Or Cost You Nothing" **100% Money-Back Guarantee!**

Download my system right now, and put it to the test within the next 8 WEEKS. If you're not seeing shockingly good results by then (by your own standards), I don't want your money, and I'll give back every penny back to you and you will be removed from the database. No questions asked, no hassles.

This Is Easier Than Balancing Your Checkbook...

Remember my goal of making this "falling off a log" easy? I think I succeeded, in spades.

I don't care if you're brand new to the Internet. **I don't care if you've tried "everything" out there and haven't been able to make a dime.** I don't care if you've never had an online success EVER.

If you can balance your own checkbook, you've got way more than enough brain power to make this work for you.

Here's what I mean...

- **Once you get this set up, you'll make money automatically 24/7, even while you're sleeping or having fun doing something else. You won't be chained to your computer slaving away.**
- **Your checks show up automatically.** You won't be waiting on anybody else who might "forget" to pay. You'll get paid on autopilot, just like clockwork.
- **It doesn't have to cost you a dime.** There's no thinking about what to buy to "make this work". You can choose to spend some money on certain traffic generation approaches, but you don't have to.
- **Unlike most things, you can start immediately.** This isn't a "slow-and-steady" system—it's a "fast and overwhelmingly profitable" avalanche rolling right into your bank account.

When you fire up this system, **you're going to feel like you've gotten an ATM set up in your house, and somebody comes and fills the thing up with money every night.**

So How Much Are You Gonna Hit Me Up For?

I've charged \$1,997.00 a seat for my seminars, and they sell out in hours. But you won't pay anything close to that for this system that gives you the puzzle pieces you've been missing.

People pay me **\$797.00 an hour** just to get one online marketing "secret" out of me. You won't, and **I'm going to give you every secret you need.**

Some so-called gurus will sell you garbage that distracts you rather than helping you fill your bank account, and they'll charge you **\$297.00** for it. But ***I'm offering you the genuine system, and I won't charge you even close to that amount.***

In fact if you act on this right NOW...

Your Total Investment Is Just A Measly
\$1,997.00, \$797.00, \$297.00, \$97.00, \$27 For

This is an *introductory* offer, and it won't last forever - In fact I'll be increasing the price without warning ANYTIME.
