PA,

I've been doing your exercises for just over 3 weeks now and the results have amazed me!!

Before i found your program, i was doing these exercises i found on a website claiming to give free natural penis enlargement exercises. I was doing these for about 6 months but saw next to no gains at all.

Then after doubting wheather natural enlargement actually works, i decided to risk it and join PAdvantage. The results have blown me away. After just over 3 weeks i have gained just over 1cm in both my erect length and girth - thats about half an inch!!!!
