

# "Internet Marketer Gets \$87 Million in Google Pay-Per-Click Ads FREE! ... And Makes Over \$314 Million as a Result! ... And Now He's Going to Give You This Same Secret for Next to Nothing!"

## Fast facts about this amazing NEW SECRET!...

This is an incredible system developed by none other than *Dr Jon Cohen, MD* (retired) who found a little-known “twist” in how to use the pay-per-click (PPC) and paid-for targeted advertising programs at Google™ and the other search engines.

### Dr Jon has personally used this to:

- Eliminate over **\$87 million** in otherwise paid-for and PPC ads at Google™ and other search engines over the course of about 9 years now!
  - Generate over **\$314 million** in product sales as a result of this incredible savings!
    - Acquire a personal wealth of more than **\$68 million!** (Net)
      - Start and develop **16 online ventures** of his own.
  - Has coached “live” where he taught others this same amazing formula - including 198 executives from major Fortune 500 and Fortune<sup>SM</sup> 1000 companies, 14 representatives of publicly-traded companies on the New York Stock Exchange<sup>SM</sup> (NYSE), 82 more on the NASDAQ®, 5 members of investment houses on the American Stock Exchange<sup>SM</sup> (AMEX), as well as at least one former US Congressman (now retired also) who now stays at home and runs a home-based online family business, among countless others.

This system has nothing to do with Google “*vouchers*” or “*AdWords™ credits*.”

Also, it has nothing to do with adding any special magical “*code*” or “*script*” to your website that will bar Google and other search engines from being able to bill you.

Instead, Dr Jon’s system is very unique to say the least, and allows for the elimination of advertisers having to suffer the burden of costs of their Google and otherwise paid-for search engine advertising expenses!

It can even create many additional streams of income flooding money directly into your pocket very quickly!
