Fast facts about this amazing NEW SECRET!...

This is an incredible system developed by none other than *Dr Jon Cohen, MD* (retired) who found a little-known "twist" in how to use the pay-per-click (PPC) and paid-for targeted advertising programs at Google™ and the other search engines.

Dr Jon has personally used this to:

- Eliminate over **\$87 million** in otherwise paid-for and PPC ads at Google™ and other search engines over the course of about 9 years now!
- Generate over **\$314 million** in product sales as a result of this incredible savings!
- Acquire a personal wealth of more than **\$68 million!** (Net)
- Start and develop **16 online ventures** of his own.
- Has coached "live" where he taught others this same amazing formula - including 198 executives from major Fortune 500 and FortuneSM 1000 companies, 14 representatives of publicly-traded companies on the New York Stock ExchangeSM (NYSE), 82 more on the NASDAQ®, 5 members of investment houses on the American Stock ExchangeSM (AMEX), as well as at least one former US Congressman (now retired also) who now stays at home and runs a home-based online family business, among countless others.

This system has nothing to do with Google "vouchers" or "AdWords™ credits."

Instead, Dr Jon's system is very unique to say the least, and allows for the elimination of advertisers having to suffer the burden of costs of their Google and otherwise paid-for search engine advertising expenses!

It can even create many additional streams of income flooding money directly into your pocket very quickly!

Above all, it's unlike anything you've ever seen!...

Wednesday, 9:35 a.m.

Dear Friend,

I hope you hate spending money on all your Google™ pay-per-click advertising, because if you do you're in luck!

Finally, after many years of getting ALL my PPCs at Google, Yahoo, MSN and literally 100's

of other TOP Search Engines for FREE, I'm finally ready to let YOU in on "MY" most closely-guarded secret!

The FACT is: I've been advertising on Google (the world's TOP search engine!) as well as on Yahoo, MSN and literally 100's of others WITHOUT spending any money!

>> I've literally enjoyed over \$12 million a year in Google advertising alone (but all absolutely FREE!)

And BEST of all, I'm NOT lying (I really do get literally \$millions\$ in FREE advertising each & every year at ALL the TOP Search Engines!)

And *MY* secret has made me very, very, AMAZINGLY RICH!

But the ironic thing is: It wouldn't surprise me if you've never even heard of me!

... and I don't really care either.

I'm not one of the more popular well-known Internet gurus who loves rubbing his name in your face over and over again! (I mean, who cares who they are, or who I am? -- We are all just people regardless of how well-known or rich we become, right?)

I have personally owned and operated 16 different Web-Businesses over the last 9 years (since the mid-1990's) and have sold EVERYTHING you can imagine!

Yes, I've even done the whole "eBay" thing!

I've now built well over a dozen Internet-based firms that specialize in selling everything from women's cosmetics, men & women's clothing, electronic publishing (i.e., ebooks), hardcopy publishing (real "tangible" books), special industrial machinery, building supplies, pet food & pet supplies/toys, children & adult games, DVDs/CDs, Subscriptions, all the way to Memberships Sites (with recurring billing!)

Plus a lot of other things too!

And in selling all these things with all these Web-businesses I've owned, I've **NEVER** paid for any advertising whatsoever!

>> I learned an amazing secret very early on that allows me to advertise on TOP Search Engines, but WITHOUT spending any money on pay-per-clicks!

You see, the BEST part of having my secret in YOUR possession is this: **You NEVER have to worry how expensive all your PPC-advertising is because quite simply, IT DOESN'T MATTER!**

You can set your PPC account as follows WITHOUT any worries with *MY* NEW amazing secret:

1. You CAN now bid as high as you like on any select keyword **(and thereby blow ALL your competition right out of the water! -- and NEVER have to pay for a single 'click!')**

Enter your maximum CPC: \$ (Minimum: \$0.01)
Higher CPCs lead to higher ad positions, which usually get more clicks.

2. You CAN now set your daily budget as high as you want to go (and thereby be assured of having ONLY the BEST *TOP PREMIUM* positions at all Search Engines -- these are the color ribbon areas over the "organic" results everybody sees first!) **But DON'T worry as you'll never pay for a single day of pay-per-click advertising regardless of how high you set your budget!**

Enter your daily budget: \$

<<< From now on get only TOP placement of all your Google ads and for every keyword and phrase you choose – but WITHOUT ever fearing costs again!

3. You can add as many select keywords and keyword phrases for any PPC campaign you like, **as you will NEVER be paying for any of it!**

4. You can sell as many products, and start as many Web-Businesses as you like (just like I have now gone 'wild' and done!) **as targeted PPC advertising costs are no longer any real concern for YOU!**

5. You can therefore get extremely (even ridiculously!) wealthy as you can "afford" to get literally \$millions\$ yearly in PPC-advertising, **because all costs will now be removed meaning everything you're making is pure 100% GROSS PROFIT!**

Imagine living in this home just like I do!

Think of my "secret" this way:

Say you went to the heads of Google, Yahoo, MSN and 100's of other TOP Search Engines, and got to be good friends with them, and then they suddenly said to you:

"Don't worry ever again on paying for advertising with us - we'll just let you advertise on our search engines, but we won't charge you - so feel free to sell whatever you want, using as many keywords as you want, and we'll even place YOUR ADS at the TOP of every FRONT Page and for EVERY

SINGLE KEYWORD you choose!"

Would you take them up on this offer?

You'd be crazy not too, right?

Just think of **how rich you'd get** as a result of all this incredible advertising, where you **NEVER** experienced any risks on advertising because it didn't cost you a thing!

"How I beat the problem of having to pay Google, Yahoo, MSN and every other search engine to make an extra \$26.7 Million last year with PPC marketing – but FREE...

"... And how 100s of regular people have followed my lead and used my BREAKTHOUGH secret to earning LARGER profits due to eliminating their Pay-Per-Click ad costs!"

Obviously the very BEST way to increase profits is to **eliminate** or greatly reduce costs in the promotion of your business -- this means doing away with the cost of advertising.

Last year I was able to **make an "extra" \$26.7 million by eliminating ALL of my pay-per-click advertising** because I used my own 'secret' which allows me to do away forever with the burden of costs of targeted PPC ads.

And I can show you 100s of real-life examples of *ordinary people* who I've shared my secret with and who are now making lots more money RIGHT NOW because they are able to get highly-targeted and extremely effective pay-per-click advertising FREE, too!

Here are just a few examples...

"The 3 most important strategies you MUST do right now in order to EXPLODE your online business!"

There are many strategies you can use to build a successful online business harnessing the true power of the Internet.

But from among them **there are just 3 principle strategies you must use** that will forever put you above and beyond your competition, allow you to promote any product you want, and allow you to gain online riches faster than most everyone else!

Strategy #1:

Write only extremely effective pay-per-click ads for whatever you're selling!

About 98% of all advertisers stink at writing and preparing ad copy. What good is advertising if your ads don't do their job as well as they could? **You have a very limited space in which to stimulate your prospective buyers at search engines** (e.g., Google allows just 25-characters per headline, and 35-characters per two additional lines of selling. **You therefore MUST make the most of the very limited space!**)

This is FREE!

"Claim your FREE subscription to my newsletter [a \$197 value; yours free!]"...

... And I'll send you 100s of tips and secrets for growing your Internet business!"

Strategy #2:

Generate only the absolute very most targeted select keywords and bid them appropriately to get the very best positions so that your prospects see your ads above everybody else's!

It is your responsibility to **generate every possible keyword and phrase that's applicable to targeting your select audience**. And once you've collected them all, you MUST bid them in such a way that you get only the **TOP placement** (i.e., the **top blue ribbon spots on the very FRONT PAGE** and for ALL your keywords!) **And this usually would be extraordinarily expensive beyond 99.9% of webmasters' and promoters' best and most generous budgets.**

Strategy #3:

Eliminate ALL this advertising costs you'd otherwise have to pay (like everyone else!)

Imagine now after having aced Strategies #1 & #2 above, you were suddenly able to just **eliminate all these advertising costs** involved, but **WITHOUT** losing your ads' thunder or placement. This is the MOST IMPORTANT strategy of all: Forever eliminating all your PPC costs -- and regardless what they cost! **This puts YOU in the top position and gives you the ultimate cutting edge advantage over everybody else – FOREVER!**

Most people will NEVER be able to have all 3 strategies working for them as **they will never claim my secret for themselves!**

"Here's how my breakthrough secret works in action..."

The best part is that **my secret breakthrough doesn't require you to do anything different at all in setting up your Google, Yahoo, Overture, MSN** (or any other search engine) **ad campaign.**

Enter your daily budget: \$

What is the maximum you are willing to pay each time someone clicks on your ad?

You influence your ad's position by setting its maximum cost per click (CPC) . The max CPC is the highest price you're willing to pay each time a user clicks on your ad. Your max CPC can be changed as often as you like.

- Your budget controls your spending. If your daily budget is \$5.00 and there are 30 days in a month, you'll never be charged more than \$150 in that month.
- Lower your costs by choosing more specific keywords, like *red roses* instead of *flowers*. Specific keywords are more likely to turn a click into a customer. [Edit your keyword list](#).

Now my ad campaign is ready to begin:

My ad is written and **meets Google's approval algorithms**, plus I have **ALL my choicest keywords and phrases** to target my select audience, **AND my daily budget and default bids are set so well that I'm guaranteed only the TOP CHOICE SELECT PLACEMENT** on Google's **FRONT PAGES** and **for EVERY SINGLE KEYWORD** (or phrase) I've chosen!

I'm then ready to **set-up my ad** and have Google **showing my ads just minutes from now!**

The whole process **taking less than 6-11 minutes usually to get started!**

<<< With my secret for getting Google ads FREE you can forever dominate these exact TOP blue-ribbon spots for any keywords & phrases you choose just like I do!

But, this is where my simple secret comes in that eliminates the costs you'd have to pay otherwise (like 99.9999% of everyone else!)

This way, even if before I would have ran up a daily cost of \$2,000 on pay-per-clicks, NOW I don't have to pay this charge using what I now have mastered!

And this is a secret *YOU* cannot afford to pass up either!

I mean, on what you'd spend for my secret, you'd throw away in just minutes advertising on Google, Yahoo, MSN, Overture and other search engines – so it makes great sense to forever claim my secret for yourself, right?

So why continue throwing all your money away when you could be saving (and therefore PROFITING MORE!) your money instead using my amazing -- but very simple -- SECRET?

Each individual's success depends on his or her background, dedication, desire, and motivation.

If you're still willing to pay for all your Google AdWords ads after finding out here and now that **others are now getting \$10 million's in Google advertising FREE**, then something must be wrong!

The fact is... *****You DON'T have to pay for another Google AdWords ad ever again!*****

I've literally set up 100's of Google ad campaigns and generated \$1 million's in clicks, yet didn't pay for a single click!

=>> And I didn't have to do anything illegal, nor did I do any 'hacking', nor do I know anyone or have a relative working at Google to be able to do this!

Instead, I developed a simple, straightforward system that's easy-to-do that you can **start using in just minutes** of securing my secret for yourself!

But before even thinking of stealing my secret for yourself, here are some FAQs you need to know...

FREQUENTLY ASKED QUESTION #1:

Is your system illegal?

Answer: Absolutely NOT! In fact within just minutes of cracking open my secret for yourself, I honestly believe **you'll be kicking yourself in the head for not having thought of this yourself.** You'll probably say to yourself *"Man! This is so easy and simple, why didn't I think of this first? I could now be selling this secret to the world and making a killing!"*

FREQUENTLY ASKED QUESTION #2:

Do I have to be some kind of technical "wizard" to use and apply your system?

Answer: Are you kidding? What would be the point of trying to sell you something it took a Harvard PhD in order to use? The fact is that anyone (including an 11 year old kid!) can easily use and apply my secret. And I'm not being figurative either! I've actually received an email from one lady who told me that due to her poor eyesight **she had her 11 year old son read my system and set the whole thing up for her.** So if that doesn't tell you

how easy and simple it is to do then nothing will convince you!

FREQUENTLY ASKED QUESTION #3:

Does your system require I know someone on the “inside” at Google?

Answer: Nope! Anyone can **secure my system in just 2 minutes** from right now, **start using it within 45 minutes** from now, and **be getting \$1 million’s in otherwise paid-for Google advertising**, but because of my secret **never have to pay for another pay-per-click ever again!** And you never have to know anyone or have any friends or family working at Google (or any other search engine) in order to do this!

FREQUENTLY ASKED QUESTION #4:

Is your system limited to just Google only, or can I use it for other search engine pay-per-click advertising?

Answer: My system works for [Google™](#), [Yahoo™](#), [MSN™](#), [Overture™](#), [AOL™](#), [AltaVista™](#), [Lycos™](#), [AllTheWeb™](#), [HotBot™](#), [Froogle™](#), [Accoona™](#), [AskJeeves™](#), [DogPile™](#), [GigaBlast™](#), [InfoSpace™](#), [Kanoodle™](#), [Looksmart™](#), [MIVA™](#) (formerly FindWhat), [Netscape Search™](#), [WebCrawler™](#), and every other search engine ever invented and currently in use! There are literally **over 15,000 Web-based search engines available today**, and my proven system works on all of those with pay-per-click advertising!

FREQUENTLY ASKED QUESTION #5:

Am I limited to \$10,000, \$100,000 or even \$1 million in FREE pay-per-click advertising, or can I go higher?

Answer: With my amazing secret system there is **NO LIMIT** to how high you can go! If all you want is just \$100,000 in Google paid-for advertising but for free, then you can stop there if you choose. But if you're like me, **you can go as high as many, many millions of dollars in otherwise paid-for (and thrown away!) advertising on Google** and practically every other search engine on the entire Web! My system never binds you, only frees you from ever having to pay for another pay-per-click ever again!

FREQUENTLY ASKED QUESTION #6:

Will Google and other search engines get mad at me and hunt me down and kill me?

Answer: No! Google and all other search engines my system allows you to get pay-per-clicks on but for FREE **are not at any loss** due to your use of my secret system. **They still will make their money and won't be harmed because YOU end up getting from now on even \$10 million's in FREE pay-per-click advertising.** Once you secure my secret for yourself and find out how I've been doing this for years (*and STILL continue to do so even to this very day!*) you'll see just what I mean (**you may even laugh when you see how amazing, yet simple this truly is!**)

FREQUENTLY ASKED QUESTION #7:

I must admit, this sounds too good to be true, so I'm thinking about just passing up your offer. Is this valid reasoning?

Answer: Sure, if you want to forever miss out on the best-kept secret on the entire Internet! **Hey, it's no skin off my back if you decide not to secure my system for yourself.** I'm already rich so getting just a few bucks more out of you won't either make or break me. BUT! Passing up on my secret when it is in fact the answer you've been looking for to getting many millions in FREE advertising on Google and all other search engines may quite possibly be the deciding factor as to whether you really succeed online or not! (So pass up this offer **at your own risk – but don't say I didn't WARN YOU FIRST!**)

FREQUENTLY ASKED QUESTION #8:

I have [fancy cars](#), [planes](#), [several mansions](#), [boats](#) and even [young beautiful girls](#) hanging around me all day. Answer: Best of luck to you on the Web.
