

# I Make Over \$160,000.00 Online Every Single Month without Owning a Website or A Product, and All I Do is Advertise Websites with Google

You're probably thinking "Yeah right...", if you don't believe me, look at [my proof](#)

Let me put it this way, for the past 7 years my life has revolved around advertising websites online through Google. I know every rule, advertising policy, and exactly how to advertise any website to make it unbelievably profitable.
