**95% OF RETAIL FOREX TRADERS LOSE TO THE INSTITUTIONS**

Stop following the herd.

**"If you insist on trading forex, I will show you 3 trades that will make you 10-30% every month with 93.3% accuracy"**

- Have you spent money on courses, books & gurus only to come away without a profitable strategy that you can actually use?
- Have you made money trading in a demo account only to lose once you trade in a live account?
- Has a so called "money manager" lost a significant portion of your account in a few weeks?
  - Are you missing good trades because you can't follow the market 24 hours per day?

**The Institutional Forex System is NOT:**

1. A bunch of information you can find online for free
2. A theoretical system that doesn't work in live trading
